- **How do I get my SCC service repaired or improved?**

The best way to get any SCC service repaired or improved is to contact one of our **skilled customer service** department employees for help at **611** from an SCC phone or at **435-826-4211**. If not resolved over the phone we can write a trouble ticket and get field support to you. We are here to help you with SCC services.

- **500% increase in Broadband Speeds**

Work continues to bring new higher network speeds to our service area. The 256kbps speed will be replaced with 1mbps at the same \$29.95/month cost. Package speeds will be 1, 3, 6, and 10 mbps as the new service becomes available in your area.

- **No Contract No Problem**

Cellular service without a contract is now available at SCC. Plans start as low as \$24.99 per month. Call us at 435-826-4211 for details.

- **SCC is a member owned cooperative working for you.**
